**YMCA OF SAN ANGELO

OUR MISSION

The mission of the YMCA of San Angelo is to serve the people in the San Angelo community of all faiths, with the emphasis on families and youth, to permit them to achieve their God-given potential in spirit, mind and body through its programs, staff, facilities, and the community.

STRENGTHENING COMMUNITY IS OUR PURPOSE

The Y is a leading nonprofit for youth development, healthy living and social responsibility. We are a powerful association of men, women and children of all ages and from all walks of life joined together by a shared passion: **TO STRENGTHEN THE FOUNDATIONS OF COMMUNITY.**

FOR ALL: WE WELCOME ALL INCOMES, AGES AND ABILITIES

Everyone belongs at the Y, regardless of ability to pay. The YMCA turns no one away due to the inability to pay. Through funding from the **United Way of the Concho Valley**, private grants, individuals and corporate donations, the Y has the ability to break down financial barriers by providing financial assistance to individuals and families throughout the community. The YMCA of San Angelo has awarded over \$300,000 in scholarships for programs and membership in 2023. Financial assistance is available for most programs and services. Applications are available at the Welcome Center and online. Submit the application with proof of income for all wage earners in the household and expect a response within 7 - 10 business days.

For more information contact our Membership Director, Larissa Rivera at 325.655.9106 or lriviera@ymcasanangelo.org.

CHILD ABUSE PREVENTION

US... IS EMPOWERING

**YMCA of San Angelo
Annual Support Campaign
STARTS MARCH 2025**

In 2023, the YMCA provided **more than \$360,000** in financial aid to support families encountering economic challenges, enabling their participation in our after-school program, summer day camp, preschool activities, and sports. Our initiatives benefited **over 600 young individuals** by offering essential guidance, resources, and encouragement for a healthy lifestyle. Additionally, through membership assistance, **over 500 adults and families** were granted scholarships, empowering them to pursue and maintain healthy living practices. Your contribution helps us continue this vital support for our community's well-being.

The San Angelo Y remains a beacon of opportunity and hope, just as it always has been. However, in times where the strength of collective unity remains obscured and our connections are weakening, it's crucial to intensify our efforts in fostering human bonds.

This is why the Y is deeply committed to fortifying communities.

Each day, the Y stands by children, adults, seniors, and families, offering programs that safeguard, educate, unite, heal, support, and inspire. Every initiative undertaken is aimed at empowering communities and the collective "US" within them to flourish.

BUT WE CAN'T DO IT ALONE.
